Case No. 5:20-cv-04812-EJD

**AMENDED DECLARATION OF
ANTHONY F. FATA IN SUPPORT OF
PLAINTIFFS’ MOTION FOR
ATTORNEYS’ FEES, EXPENSES, AND
NAMED PLAINTIFF SERVICE
AWARDS ON BEHALF OF KIRBY
McINERNEY LLP**

Judge: Hon. Edward J. Davila

16 I, Anthony F. Fata, declare and state as follows:

17 1. I am a partner at the law firm Kirby McInerney LLP. I submit this Declaration in
18 support of Plaintiffs’ Motion for Attorneys’ Fees, Costs and Named Plaintiff Service Awards in
19 connection with time spent and expenses incurred by my firm in connection with this litigation.
20

21 2. On February 17, 2023, the Court appointed Cafferty Clobes Meriwether and
22 Sprengel LLP, Kirby McInerney LLP, and Scott+Scott Attorneys at Law LLP as interim co-lead
23 counsel for the proposed class in the above-captioned action (the “Litigation”). ECF No. 132. On
24 May 16, 2024, the Court appointed the same firms as Class Counsel to represent the Settlement
25 Class. ECF No. 269.
26
27

1 3. My firm’s submission of its time and expenses in this Declaration adheres to the
2 reporting protocols established by Class Counsel in this Litigation.

3 4. My firm’s work on behalf of Plaintiffs includes the following: originating the case,
4 including pre-filing and continuing case investigation; researching and drafting the initial
5 complaint and certain sections of the amended complaint; researching and drafting certain sections
6 of the oppositions to Apple’s motions to dismiss; briefing and appearing in Court on case
7 management issues and discovery disputes; participating in meetings of Class Counsel; obtaining
8 discovery from Apple, including negotiating and reviewing document productions and transaction
9 data and taking several of the ten depositions of Apple employees; defending certain of the
10 depositions of named Plaintiffs, researching and drafting certain sections of the motion for class
11 certification; mediating the case, negotiating the settlement agreement and obtaining preliminary
12 approval thereof; liaising with the claims administrator in connection with the settlement process;
13 and engaging and working with experts and consultants on numerous aspects of the case. The
14 specifics of the work performed by my firm are set forth in the Joint Declaration of Nyran Rose
15 Rasche, Anthony F. Fata and Joseph P. Guglielmo in Support of Plaintiffs’ Motion for Attorneys’
16 Fees, Costs and Named Plaintiff Service Awards (ECF No. 273-2).

17 5. **Exhibit 1** sets forth the time spent by category of work performed by partners,
18 attorneys, and support staff of my firm, from inception of the Litigation through July 31, 2024.
19 The billing rates for the partners, attorneys, and support staff align with the firm’s standard billing
20 rates for contingent cases. The rates reflected are historical rates, *i.e.*, the rates that were in effect
21 at the time when the work was done.

22 6. The hours spent by my firm from inception of the Litigation through July 31, 2024
23 totals 4,008.5. The firm’s lodestar totals \$2,523,522.50. Total hours were calculated through an
24

1 examination of contemporaneous time records regularly prepared and maintained by my firm. I
2 have reviewed the accuracy of these time records and their relevance and have concluded they are
3 reasonable and necessary for the prosecution of the Litigation. While conducting this review, I
4 made adjustments to align certain entries with the reporting protocol established in this Litigation,
5 as well as to adhere to the firm's policies and procedures. These adjustments were not only
6 consistent with the firm's best practices but also beneficial to the class.

7
8 7. **Exhibit 2** sets forth the unreimbursed expenses my firm incurred in prosecuting the
9 Litigation from inception through July 31, 2024, totaling \$30,619.59. This amount will be updated
10 at or shortly before the final approval hearing to reflect expenses occurred after July 31, 2024.

11 8. These unreimbursed expenses, incurred on behalf of the Plaintiffs, are accurately
12 reflected on the books and records of my firm and were prepared from expense reports with
13 attached receipts, check records, and other source materials.

14
15 9. To facilitate the sharing of expenses, Class Counsel contributed to a litigation fund
16 administered by my firm. **Exhibit 3** sets forth common expenses paid or incurred by the litigation
17 fund, which was fully funded by Class Counsel, from inception of the Litigation through the
18 present totaling \$413,684.21.

19 I declare under penalty of perjury, under the laws of the United States of America, that to
20 the best of my knowledge, the foregoing is true and correct.

21
22 Executed on this 1st day of October, 2024 at Chicago, Illinois.
